

## End of Life Notification for: PEG2T, PEG4T

March 26<sup>th</sup>, 2012

Dear valued Customer,

We want to notify you that we decided to discontinue the production of the **PEG2T, PEG4T** family products. Purchase orders for these products will be accepted until **January 1<sup>st</sup>, 2013**.

The reason for that is due to EOL notification from Broadcom on the BCM5709C chip that is used in those products.

As the leading global provider of high-performance Ethernet Server Adaptor products, Silicom remains committed to providing you with the highest product performance and reliability available.

To this end, we continue to deliver new Ethernet Server Adaptor solutions that replace these EOL products. Silicom recommends moving to PE2G2i35/ PE2G4i35 based on Intel I350.

The new products are based on new high-performance components, enable superior speed and enhanced functionality.

Silicom customers who are running the **PEG2T, PEG4T** should consider upgrading to these new products.

### Full Warranty and Support

As with all our products, these EOL **PEG2T, PEG4T** products include a one-year warranty, and we will provide support for a full **three (3) years** after the last-buy opportunity on **January 1<sup>st</sup>, 2013**.

Silicom will continue to leverage its technology and expertise in the area of Ethernet Server Adaptor solutions. For more information on our product offerings, company news and upcoming events, visit our web site at: <http://www.silicom.co.il/>.

Please contact your account executive with questions, comments or to place a last-buy order.

Thank you,

Shaike Orbach  
President and GM
