

End of Life Notification for: PE310G4DBI9

11/03/2014

Dear valued Customer,

We want to notify you that we will discontinue the production of the **PE310G4DBI9** Series. This is due to EOL notification from Intel for the Intel FBFM4410F529C, 10 Gigabit Ethernet Switch which is used within the below products.

Due to that purchase orders for this product will be accepted until **December 31th, 2014**. Last ship date is: **March 24th, 2015**.

As the leading global provider of high-performance Ethernet Server Adapter products, Silicom remains committed to providing you with the highest product performance and reliability available.

To this end, we continue to deliver new Ethernet Server Adapter solutions that will replace these EOL products, will have a new design by the end of 2015.

Description	Product	Replacement
Quad Port Fiber Smart Bypass	PE310G4DBI9-LR/SR-SD	New design will be available till End of 2015
Quad Port Copper Smart Bypass	PE310G4DBI9-T/-SD	New design will be available till End of 2015

Full Warranty and Support

As with all our products, these EOL **PE310G4DBI9** products include a one-year warranty, and we will provide support for a full **three (3) years** after the last time buy opportunity on **March 24th, 2015**.

Silicom will continue to leverage its technology and expertise in the area of Ethernet Server Adapter solutions. For more information on our product offerings, company news and upcoming events, visit our web site at: <http://www.silicom.co.il/>.

Please contact your account executive with questions, comments or to place a last time buy order.

Thank you,
