

## Product End of Life Notification for: Silicom Products using NXP MPC8313VRAFFB

03/08/16

Dear valued Customer,

We want to notify you that we will discontinue the production of the following Product series: IBS10G-SR/LR, IBSG-LX, IBSG-SX. This is due to an EOL notification from NXP for the NXP - MPC8313VRAFFB - PowerQUICC2 PRO Processor.

Due to that, last purchase order and ship date for this card was **January 1th, 2017**.

As the leading global provider of high-performance Ethernet Server Adapter products, Silicom remains committed to providing you with the highest product performance and reliability available. To this end, we continue to deliver new Ethernet Server Adapter solutions that replace these EOL products:

Product	Replacement
IBS10G-SR/LR	IBS10GP-SR/LR
IBSG-LX	IBSGP-LX
IBSG-SX	IBSGP-SX

The new products mentioned above are based on new high-performance components, enables superior speed and enhanced functionality.

Silicom customers who are using the above products that are going to be EOL should consider upgrading to the replacement products.

### Full Warranty and Support

As with all our products, these EOL products below include a one-year warranty and we will provide support for a full **three (3) years** after the last time buy opportunity on **January 1th, 2017**.

Silicom will continue to leverage its technology and expertise in the area of Ethernet Server Adapter solutions. For more information on our product offerings, company news and upcoming events, visit our web site at: <http://www.silicom.co.il/>

Please contact your account executive with questions, comments or to place a last time buy order.

Thank you,

Shaik Orbach  
President and GM
