

## Product End of Life Notification for: Silicom intelligent bypass - IBS10G / IBS10GP

26/10/16

Dear valued Customer,

We want to notify you that we will discontinue the production of the following Product series: IBS10G and IBS10GP. This is due to an EOL notification from BROADCOM for the BROADCOM - BCM56311A0KFEBG.

Due to that, last purchase order will be **March 15<sup>th</sup> 2017**, and last ship date for this card will be **October 15<sup>th</sup>, 2019**.

As the leading global provider of high-performance Ethernet Server Adapter products, Silicom remains committed to providing you with the highest product performance and reliability available. To this end, we continue to deliver new Ethernet Server Adapter solutions that replace these EOL products:

Product	Replacement
IBS10G	IS40 with 10G bypass module
IBS10GP	IS40 with 10G bypass module

For IS40 replacement please refer to the product info in the link below:

<http://www.silicom-usa.com/pr/bypass-switches-taps/intelligent-bypass-switches/40-gigabit-intelligent-bypass-switches/is40-bypass-switch/>

The IS40 replacement enable installing of up to 3 10G modules, each of these module is a dual bypass segment so enabling a total of up to 6 bypass segment in a 1U chassis (compared to up to 4 segments in the current solution).

Also this IS40 product include one centralized management to all the modules and bypass segments. For further info please contact Silicom technical support.
