End of Life Notification for PCIe server Adapters based on Intel 82580EB:

Dear valued Customer,

We want to notify you that we decided to discontinue the production of 82580EB based adapters. PNs as in table below. The EOL is due to discontinuance of Intel: NH82580EB. Recommended replacements are i350 PCIe based adapters. Last Time Buy (LTB) purchase orders for the EOL products will be accepted until January 15, 2022 (LTB). Last Time Ship (LTS) will be until January 15, 2024

As the leading global provider of high-performance networking solutions, Silicom remains committed in providing you with the highest product performance and reliability available. To this end, we continue to deliver new solutions that replace these EOL products.

Full Warranty and Support

As with all our products, these EOL products include a one-year warranty, and we will provide support till January 15, 2025.

Silicom will continue to leverage its technology and expertise in the area of Ethernet Server Adapter solutions. For more information on our product offerings, company news and upcoming events, visit our web site at: <http://www.silicom.co.il/>.
